![computomics® machine learning-based data analysis]

Data Scientist (d/f/m) for Plant Genomics & Breeding Projects
Full-Time - in Tübingen

Computomics is a growing Bioinformatics Agtech company with a vision of contributing to a sustainable future through innovative AI solutions for plant breeding, food safety and food security. As for now we are looking to hire a **Data Scientist for Plant Genomics & Breeding Projects** with a focus on biological datasets.

Your Tasks:

▸ Application of machine learning methods on plant genomics and breeding data, e.g. predictions of plant phenotypes or GWAS analyses

▸ Conception and implementation of bioinformatics workflows and analyses

▸ Support with development of new features for our products

▸ Working closely with customers

▸ Efficient collaboration with internal and external partners

Your Qualifications:

▸ University degree or comparable qualification in data science, plant breeding, population genetics, computational biology, bioinformatics, statistics or equivalent

▸ Either a minimum of 3 years of work experience or a PhD degree

▸ Proficiency in utilizing machine learning models or statistical methods for product development, genetics, or agricultural applications

▸ Programming experience with Python data stack (e.g. pandas, polars, numpy, sklearn, …) and/or R

▸ Experience with standard software development tools, e.g. git

▸ Knowledge of the Linux command line and working with remote servers

▸ Strong problem solving skills, proactive team player

▸ Fluent in English and capable of working autonomously

Our Offer:

✓ Working in an innovative, dynamic and international company

✓ Work-Life-balance

✓ Flexible working hours (mobile working partially possible)

✓ Family-friendly workplace

✓ Healthy working environment with an international, openminded and supportive team

✓ Ergonomic office furniture and equipment

✓ Continuous training, education and in-house knowledge transfer

✓ Fresh fruit, sweets, coffee, tea and water free of charge

✓ JobRad (bike-leasing)

✓ Company events (BBQ, company outing etc.)

✓ Centrally located in downtown Tübingen

✓ Chance to grow with us
